## CITY OF PINOLE

REQUEST FOR PROPOSALS (RFP)  
BROADBAND OPPORTUNITIES ASSESSMENT

## SECTION 1 BACKGROUND

The City of Pinole is a diverse community of approximately 19,400 residents located on the east side of the San Francisco Bay in West Contra Costa County. Pinole is approximately 30 miles northeast of San Francisco and 20 miles north of Oakland along highway I-80. Pinole has a lovely natural setting and is noted for its architectural heritage.

Pinole is a full-service city, with a total budget of \$46.4 million, that provides public safety (police and fire), public works, community services (including recreation programs and Pinole community television), community development, and general administration services.

The City would like to better understand the high speed (broadband) connectivity available to community residents, businesses, and other organizations in terms of coverage, speed, and cost; determine whether there are gaps relative to modern standards; if there are gaps, identify and assess potential City interventions (including public-private partnerships) with respect to cost, effectiveness, and feasibility; and make a recommendation regarding next City steps on digital connectivity as appropriate.

Broadband connectivity supports existing and new commerce and improves the quality of residents' lives through improved delivery of services such as telework, telehealth, distance learning, and digital inclusion.

## SECTION 2 SCOPE OF WORK / MAXIMUM BUDGET / TIMEFRAME FOR COMPLETION OF WORK

## 2.1 Scope of Work

The scope for this project includes the following:

- A. Broadband Trends and Technology Review.** Present a review of current and projected future trends in broadband technologies and connectivity, the industries they support, and cities' role in providing broadband access in their communities.
- B. Existing Service and Infrastructure Analysis.** Document the incumbent internet service providers (ISPs) and mobile device service providers currently serving residents, businesses, organizations, and visitors in the City of Pinole. Provide a clear picture of the state of broadband in the community and planned enhancements by existing service providers.

- C. Gap Analysis.** Determine whether there is a gap between broadband connectivity currently available in the City and modern connectivity standards appropriate for a community like Pinole.
- D. Public Assets Analysis.** Complete an analysis to evaluate whether existing public assets (e.g., light poles) and/or right of way could be used to facilitate broadband network construction and operation.
- E. Enhancement Options.** If there are gaps in broadband access currently available in Pinole and modern connectivity standards, identify and assess potential City interventions (including public-private partnerships) with respect to the following:
1. Enhancement in availability, speed, and cost for residents (including currently underserved residents), businesses, organizations, and visitors
  2. Estimated Cost
  3. Potential net revenue to City
  4. Service model and potential partners
  5. Potential grant funding
  6. Steps, timeframe and estimated cost per phase to implement
- F. Recommended Next Steps.** Based on the enhancement options analyzed, recommend appropriate next steps, if any, that the City should take regarding broadband.
- G. Draft and Final Report.** Include information (A-F above) in a draft report for staff review and feedback. Develop a final report.
- H. City Council presentation.** Present findings at a City Council meeting.

- 8.6.3 Retain a different consultant to complete the work described in Exhibit A not finished by Consultant; or
- 8.6.4 Charge Consultant the difference between the cost to complete the work described in Exhibit A that is unfinished at the time of breach and the amount that City would have paid Consultant pursuant to Section 2 if Consultant had completed the work.

## Section 9. KEEPING AND STATUS OF RECORDS.

- 9.1 **Records Created as Part of Consultant's Performance.** All reports, data, maps, models, charts, studies, surveys, photographs, memoranda, plans, studies, specifications, records, files, or any other documents or materials, in electronic or any other form, that Consultant prepares or obtains pursuant to this Agreement and that relate to the matters covered hereunder shall be the property of the City. Consultant hereby agrees to deliver those documents to the City upon termination of the Agreement. It is understood and agreed that the documents and other materials, including but not limited to those described above, prepared pursuant to this Agreement are prepared specifically for the City and are not necessarily suitable for any future or other use. City and Consultant agree that, until final approval by City, all data, plans, specifications, reports and other documents are confidential and will not be released to third parties without prior written consent of both parties.
- 9.2 **Consultant's Books and Records.** Consultant shall maintain any and all ledgers, books of account, invoices, vouchers, canceled checks, and other records or documents evidencing or relating to charges for services or expenditures and disbursements charged to the City under this Agreement for a minimum of three (3) years, or for any longer period required by law, from the date of final payment to the Consultant to this Agreement.
- 9.3 **Inspection and Audit of Records.** Any records or documents that Section 9.2 of this Agreement requires Consultant to maintain shall be made available for inspection, audit, and/or copying at any time during regular business hours, upon oral or written request of the City. Under California Government Code Section 8546.7, if the amount of public funds expended under this Agreement exceeds TEN THOUSAND DOLLARS (\$10,000.00), the Agreement shall be subject to the examination and audit of the State Auditor, at the request of City or as part of any audit of the City, for a period of three (3) years after final payment under the Agreement.

**Section 10 MISCELLANEOUS PROVISIONS.**

- 10.1 Attorneys’ Fees.** If a party to this Agreement brings any action, including an action for declaratory relief, to enforce or interpret the provision of this Agreement, the prevailing party shall be entitled to reasonable attorneys’ fees in addition to any other relief to which that party may be entitled. The court may set such fees in the same action or in a separate action brought for that purpose.
- 10.2 Venue.** In the event that either party brings any action against the other under this Agreement, the parties agree that trial of such action shall be vested exclusively in the state courts of California in the County of Contra Costa or in the United States District Court for the Northern District of California.
- 10.3 Severability.** If a court of competent jurisdiction finds or rules that any provision of this Agreement is invalid, void, or unenforceable, the provisions of this Agreement not so adjudged shall remain in full force and effect. The invalidity in whole or in part of any provision of this Agreement shall not void or affect the validity of any other provision of this Agreement.
- 10.4 No Implied Waiver of Breach.** The waiver of any breach of a specific provision of this Agreement does not constitute a waiver of any other breach of that term or any other term of this Agreement.
- 10.5 Successors and Assigns.** The provisions of this Agreement shall inure to the benefit of and shall apply to and bind the successors and assigns of the parties.
- 10.6 Use of Recycled Products.** Consultant shall endeavor to prepare and submit all reports, written studies and other printed material on recycled paper to the extent it is available at equal or less cost than virgin paper.
- 10.7 Conflict of Interest.** Consultant may serve other clients, but none whose activities within the corporate limits of City or whose business, regardless of location, would place Consultant in a “conflict of interest,” as that term is defined in the Political Reform Act, codified at California Government Code Section 81000 *et seq.*

Consultant shall not employ any City official in the work performed pursuant to this Agreement. No officer or employee of City shall have any financial interest in this Agreement that would violate California Government Code Sections 1090 *et seq.*

Consultant hereby warrants that it is not now, nor has it been in the previous twelve (12) months, an employee, agent, appointee, or official of the City. If Consultant was an employee, agent, appointee, or official of the City in the previous twelve months, Consultant warrants that it did not participate in any manner in the forming of this Agreement. Consultant understands that, if this Agreement is made in violation of Government Code §1090 *et.seq.*, the entire Agreement is void and Consultant will not be entitled to any compensation for services performed pursuant to this Agreement, including reimbursement of expenses, and Consultant will be required to reimburse the City for any sums paid to the Consultant. Consultant understands that, in addition to the foregoing, it may be subject to criminal prosecution for a violation of Government Code § 1090 and, if applicable, will be disqualified from holding public office in the State of California.

Consultant will comply with all conflict of interest laws and regulations including, without limitation, City’s Conflict of Interest Code (on file in the City Clerk’s Office).
