

City of Pinole to Host Virtual Community Workshop on Economic Development

All Pinole residents and businesses are invited to participate in a special online workshop to discuss Pinole's economic future. The meeting will support the City's preparation (currently underway) of an Economic Development Strategy. The date and time of the workshop are:

**July 20, 2022 (Wednesday)
7:00 p.m. to 8:00 p.m.**

The Pinole Economic Development Strategy will provide a "roadmap" for:

- Attracting targeted new development and business investment
- Creating jobs
- Revitalizing Old Town Pinole and other commercial/industrial areas
- Ensuring the City's long-term fiscal health

The EDS will identify growing, high-wage industries that can be the focus of future business retention/expansion/attraction efforts. It will also consider closely related issues such as infrastructure, land use, housing and workforce development.

During the community workshop, the City's economic development consultant will provide an overview of the draft EDS (a "preview draft" is available now on the City's website: https://www.ci.pinole.ca.us/city_government/economic_development/economic_development_strategy). The meeting will also be an opportunity for residents to provide input about the types of new development and businesses they may like to see in Pinole in the future.

Although not required, we are requesting that you please RSVP so we have an idea of the number of attendees. Please RSVP to rsvp@ci.pinole.ca.us
